## **QUESTIONS AND RESPONSES**

<b>Question</b>		<b>Response</b>
1	How long do you anticipate the site visit to be?	DHS anticipates the site visit lasting until approximately 4:00 p.m. EST.
2	Directions from Dulles Airport to 19844 Blue Ridge Mt., Mt. Weather, VA	For directions, use the following address: 19844 Blue Ridge Mountain Road, Bluemont, Virginia 20135-2007. This is the correct address for Google Maps, MapBlast, and MapQuest.
3	A majority of the PDF drawings provided under the Area A power solicitation have been converted to PDF in color using the standard CAD colors, one of which is yellow. The yellow items on all of the drawings are extremely difficult to read, both on the computer and as printed in color. While trying to print in Black and white the yellow notes on all the pages are barely visible. The right side of a majority of the drawings have been cut off during the PDF process, eliminating match lines and other information from the drawings. Can a new set of drawings be issued in PDF format that are only in Black and White?	DHS is attempting to fix the issue with the drawings by providing black-and-white drawings without the cutoff on the right side of the drawings.  This process is taking longer than anticipated, and DHS plans to post new drawings on or around Tuesday, August 19 <sup>th</sup> , 2008.
4	When I go to FedBizOpps and look up this solicitation, the drawings in Part II are not showing the page numbers, they are cut off. Is there anything you can tell me to do to correct this?	See Question and Response #3.
5	Regarding the pre-bid meeting on August 26, how long do you anticipate that we will be on site?	See Question and Response #1
6	Will we be allowed to take pictures?	No, pictures are not allowed.
7	Can you provide directions to the site? When I try to MapQuest directions using the address in the solicitation, it only recognizes a similar address, not the exact address, and I am not sure how close it is to where we need to go.	See Question and Response #2
8	How are volumes one and two weighted regarding evaluation importance, in terms of percentage for this RFP?	There are no weights for the technical evaluation factors. All technical evaluations factors will be evaluated as either acceptable or unacceptable in accordance with the definitions specified in Section M.
